题目描述

"Cows are following me everywhere I go. Help, I'm trapped!"

题目考点

解题思路

The given nc command connected to a linux shell where most of the commands were aliased with `cowsay`. Instead of fixing the alias, we spawned a shell using `bash` (which wasn't aliased) and printed the flag.

Flag

```
1 csictf{1_4m_cl4rk3_k3nt}
```
